## DTI-Ifugao simplifies processing of business permits

LAGAWE, Ifugao - The Department of Trade and Industry here proudly announces that businessmen will not have to go through the long and tedious registration process of their business permits anymore.

Imelda Kimayong of DTI said that the department has just conducted a training among all DTI employees which seeks to shorten, simplify and create a business friendly registration process in local government units.

Kimayong added that this will raise the satisfaction level of clients. Moreover, with an improved processing system, underground enterprises dismayed of cumbersome registration process shall be encouraged to secure their permits, resulting to increased LGU revenue collection, she further said.

Participated by some local government employees from four LGUs here, the training was an offshoot of the Local Regional Economic Development (LRED) training. LRED is capability building of LGUs for economic growth and employment generation.

LRED mobilizes people and making them work together to effect positive economic change. The program which is piloted in the province of Kalinga is currently being implemented in the Vizayas by the GTZ. \*\*Vency D. Bulayungan/PIA-Ifugao
